CHAIRMAN, CITY IMPROVEMENT TRUST BOARD,
MYSORE.

27 DEC 1922

To

T.E.Jayarama Iyer, Esquire., B.A., B.L.,
Secretary, to the Government of His Highness
the Maharaja of Mysore, (Muzrai Department).

SIR,

With reference to your letter No.5459/Muz. 393-20-4 dated the 1st April 1922, enquiring after a site for Herb Garden, I have the honour to state that a site below the Kukkarahalli Tank and to the west of the Government Branch Press, as shown in the accompanying plan, has been selected, in consultation with the Superintendent of the Government Gardens and the Head Master of the Ayurvedic College, and is being laid out for the purpose.

2. The cost of removing undergrowth and rank vegetation etc., and levelling the site comes to Rs. 563 as per estimate herein enclosed which I request you may be so good as to arrange to have remitted to this office to enable the work being completed early.

3. The land so rendered fit for planting has to be fenced on all sides the cost whereof is estimated at Rs.685 after using some of the materials on hand. The Muzarai Superintendent on being consulted in the matter unofficially was agreeable to find the amount. On the sum being placed at the disposal of the Board, the work will be put in hand at once.

4. Regarding the maintenance of the Herb Garden, I have consulted both the Superintendent of the Government Gardens and the Head Master of the Ayurvedic College and find that Rs. 40 per mensem or Rs. 480 per annum will be necessary to keep it up.

	Rs.
One Head Gardener acquainted with herbs & garden-ing.	15
Two Gardeners at Rs.10 each-	20
Recurring monthly charges for manures etc.	5
Total Rs.	40

5. Favour of needful orders on the same may also be kindly obtained and communicated early.

I have the honour to be,

Sir,

Your most obedient servant,

C. Sivakumaran

T.P. Jayara e Aiya , Esq., B.A., B.L ,

Secretary to the Govern ent of His Highness

the Maharaja of Mysore, Revenue Department.

Sir,

Adverting to letter No.15 dated 26th December 1922 addressed to you by the Chairman of the Mysore City Improvement Trust Board, regarding the site for the herbarium at Mysore, I have the honour to state that the maintenance of a herb garden as an adjunct to the Ayurvedic College, has long been felt as a necessity and at their latest meeting held on 8th October 1922, the Managing Committee of the College resolved that a plot of ground said to have been selected by the Honorary President of the Municipal Council for the purpose be taken charge of immediately in consultation with the Chairman of the Trust Board. The proposed herbarium will not only serve as an object lesson to the students in respect of the medicinal plants mentioned in the Ayurvedic books but will also be helpful in the preparation of the medicines used in the Ayurvedic Dispensary. I have therefore to recommend that the opportunity of offering this to Trust Board may be taken advantage of and the formation of the herb garden sanctioned.

2. As regards the cost of erecting the boundary wall, fencing and fencing it on all sides, the Chairman has computed the same at Rs.1,213/- and has requested that the amount may be placed at the disposal of the Board so that the Chairman may

in hand at once. I beg to state that the estimates furnished by the Chairman may be sanctioned, the charge being met from the savings effected under "Scholarships" in the current year's budget of the College.

3. As regards the recurring monthly expenditure to be incurred for the maintenance of the garden, the Chairman estimates that Rs.10/- per mensem will be necessary. I am, however, of opinion that there is no necessity for a head-gardener on Rs.15/- and that the College Compounder may be required to be in charge of the garden, a special allowance of Rs.7-8-0 a month being allowed to him for the present from out of the savings of Rs.12-8-0 a month effected on account of the abolition of the post of a whole-time Writer sanctioned in Government Order No. 1830/1..F.244-22-2 dated 2nd December 1922 I am told that the present compounder A. Narasimha Pandit who has passed the Ayurveda Vidwat examination and who is well acquainted with all Ayurvedic drugs is understood to be quite competent to carry on the work under the supervision and direction of the Head Master.

With the exception of the head-gardener, the other items of expenditure amounting to Rs.25/- a month seem to be necessary and may be sanctioned, the cost being met from allotment for this purpose from out of Rs.45/- which is provided in the Budget for allowance to the Assistant Surgeon for lectures to students on Western Medical subjects and which is not being brought under savings as the Head Master is himself looking after the work.

4. I request the favor of very early orders.

I have the horor to be,

S i r,

Your most obedient servant,

Mysore

Mysore Commissioner.
